Yes, we are deep into the research on Ghana. Our plan is to have the report to you by Friday evening NY time. Please let me know if you have any questions or would like to discuss in the meantime.

Regarding Dangote, if you know anyone who does know him, please let me know.

Are you currently in Israel? Again, we are wishing you all the best. When will you next be in NY?

Mr. Prime Minister:

We have just begun a new project for a client who wants to learn as much as possible about Aliko Dangote, whom, as you probably know, is the richest man in Africa and controls, among other assets, Dangote Cement. Have you ever met Dangote? Do you know anyone who knows him? We're seeking insights into his plans and ambitions for his cement business in Africa and globally. Any guidance you could offer would be greatly appreciated.

Additionally, I want to convey our best wishes to you during this difficult period in Israel. Like the rest of the world, we're closely watching what is happening and hope a peaceful resolution can be reached soon, for the sake of all the innocents involved.

Best,
Evan
